Central Falls Police and U.S. Marshals Task Force Arrest Sex Offender on Molestation Charge:

CENTRAL FALLS – Forty-three year old David Torres from Fall River, Massachusetts was arrested yesterday on a Central Falls Police arrest warrant for the charge of Second Degree Child Molestation.

He was out on bail, and on a GPS monitoring system, waiting to be sentenced this September on a federal charge for Failure to Register as a Sex Offender stemming from a previous sex offense in 1991.

Central Falls Detective Frank Rodriguez, a member of the Sex Offender Law Enforcement Management Network (SOLEMN) Task Force, along with United States Marshals and other Task Force members, arrested Torres early Wednesday morning in Fall River.

Torres waived extradition and was transported back to Rhode Island where he was arraigned today in Sixth District Court on the charge of Second Degree Child Molestation.

He was held on \$30,000 with surety on the new Central Falls charge and held without bail as a Superior Court violator.
