Suspect Arrested on Narcotics Trafficking Warrant:

CENTRAL FALLS – A Central Falls man turned himself into police earlier this morning on charges stemming from a search warrant executed last Thursday.

Members of the Central Falls Police Department's Special Investigative Unit executed the search warrant on the third floor apartment of 117 Cowden Street on December 6, 2012, yet the target of the investigation was not home.

However, as a result of the search warrant, a substantial amount cocaine, marijuana and prescription drugs were seized along with packaging material and other paraphernalia consistent with controlled substance trafficking.

The suspect, John Galvao (35), will be arraigned in 6th District Court this afternoon on the following offenses:

Possession of Schedule II "crack cocaine" with Intent to Distribute, Possession of Marijuana with Intent to Distribute and Distribution of a Controlled Substance within a School Zone.

Galvao is currently on probation for previous drug trafficking offenses; as such, he will be detained as a Superior Court violator.
